Learning Opportunity

Join us for an exciting professional learning opportunity! Our Drone Workshop will teach you the basics of instructing the art of drone flying. Each participant will receive a DJI Mini 3 with DJI RC (remote controller with screen) and SD card. You'll take everything home, along with lesson plan ideas and tips on how to start utilizing drones in your school. Plus, there will be hands-on flying time to boost your confidence.

Don't miss out on this unique chance to enhance your teaching skills and bring innovative technology into your classroom. Sign up today and take your first step towards becoming a drone-flying expert!

Presenters

Josh Maret

Brad Greve

Registration Notes

Registration fee includes materials and lunch.

See what you can do with the [DJI Mini 3](#) in the short promo video.
