Learning Opportunity

Racism, bullying and discrimination are entering classrooms with increasing frequency, leaving both students and school staff feeling overwhelmed. In this webinar, educators will explore ways to create environments where students can safely consider these complex topics and their relationship with them. A variety of tools that encourage reflection, dialogue and discussion to address injustice will be introduced, with the goal of helping students recognize their personal strengths and how to use those strengths to engage in conversations that create change.

Presenters

Sarah Adomako-Ansah

Registration Notes

Zoom link will be sent out in the registration email. Please check your junk/spam folder if you don't see it right away.

We recommend joining us live to get the most out of your learning, however, a recording will be available after each session.

All times are MT (Mountain Time).
